UXURY TOILETS

## Sound familiar?

- Do you really want to clean toilets 'the morning after the night before?'
- Do you have an event with more guests than your household loo's can cope with?
- Do you want something a little bit nicer than 'event loos?'
- Do you want someone to take this worry away from you?

All we will say is we have heard it time and time again 'that was money well spent' when we have driven off with a full trailer 'the morning after the night before'.

Have a 'lie in' on us! we will tow a solution in and then the problem away

## Each Lulu's Luxury Toilet Trailer Has..

- Its own water supply with hot water
- LED comfort lighting to the interior
- Wicker waste paper baskets
- Lots of paper hand towels and toilet tissue

### Each Lulu's Luxury Toilet Trailer Has..

- Level standing and access for a Land Rover to tow the trailer in for installation. They can be integrated into marquees.
- A power supply to the trailer at all times when in use – just a single 13amp is sufficient and don't worry, we can supply cables
